Pot roses

created by Kordes Roses continue to grow in popularity worldwide due to

- » an exciting range of colours
- » different shapes
- » outstanding health and dark green foliage
- » excellent keeping characteristics
- » favoured elements in florists' design

All kinds of pot roses are created at Kordes Roses in Germany and are tested extensively in cooperation with Rosa Danica®, Denmark. This collaboration resulted in an attractive assortment of excellent pot rose varieties that are sure to meet every customers' needs.

Kordes pot roses are produced successfully by specialized greenhouse growers worldwide, in such countries as Belgium, Canada, Denmark, France, Germany, The Netherlands, Italy, Japan, Russia, South Africa, Spain and the USA.

From Kordana® Classic and Kordana® Grande, to the RosAroma® assortment we are confident that our Kordes Roses can win the hearts of floral connoisseurs everywhere.
